APPENDIX (R-RATED):

The Gillard-Haters - A Compendium of Bile

Warning: much of the material in this Appendix contains obscene language or images and which some people may find offensive. I have arranged the material into the following categories:

1. MAINSTREAM MEDIA.............................................................................................................................................................1
2. EMAIL.................................................................................................................................................................................................................2
3. WEBSITES .......................................................................................................................................................................................................5
4. YOUTUBE.....................................................................................................................................................................................................7
5. FACEBOOK..................................................................................................................................................................................................7

1. MAINSTREAM MEDIA

There are countless examples. Here are just a few.

Gillard called a “whore” and her partner called “gay” by Triple J broadcasters

"Just because you don't want to marry your gay boyfriend doesn't mean I shouldn't be able to marry mine," tweeted Triple J identity and musician Brendan McLean.

Another Triple J broadcaster, Paul Verhoeven, suggested someone put the illegal amphetamine "meths" into the ALP's drinking water to turn the conference into a "a wild sex game". He also wrote "boo you whore" about the Prime Minister but later deleted it, claiming it was merely a reference to a popular movie.

Note: the allegation that JG is a “lying tart” was made on July 14, 2010 BEFORE she made the claim about there being no carbon tax and well before she changed her mind on that

A joke circulating via email (August 2012):

P.M. Gillard's difficulty in a branch of the NAB bank and I.D.

Julia Gillard walked into the NAB to cash a cheque.

As she approached the cashier she said "Good morning, could you please cash this cheque for me"?

Cashier: "It would be my pleasure Madam. Could you please show me your ID?"

Gillard: "Well I didn't bring my ID with me as I didn't think there was any need to. I am Julia Gillard, the Prime Minister!!"

Cashier: "I'm sorry, but with all the regulations and monitoring of the banks because of impostors and forgers, etc I must insist on proof of identity."

Gillard: "Just ask anyone here at the bank who I am and they will tell you. Everybody knows who I am."

Cashier: "I am sorry Prime Minister but these are the bank rules and I must follow them."

Gillard: "I need this cheque cashed."

Cashier: "Perhaps there's another way: One day Greg Norman came into the bank without ID. To prove he was Greg Norman he pulled out his putting iron and made a beautiful shot across the bank into my coffee cup. With that shot we knew him to be Greg Norman and cashed his cheque.........

.........Another time, Lleyton Hewitt came in without ID. He pulled out his tennis racquet and made a fabulous shot where the tennis ball landed in my cup. With that spectacular shot we cashed his cheque.............So madam, what can you do to prove that you really are the Prime Minister?"

Gillard stood there thinking and finally says: "Honestly, I can't think of a single thing I'm good at".

Cashier: "Will that be large or small notes, Prime Minister?"
Fwd: I’m STILL not voting Labor!
This is from a student publication in which Julia Gillard is campaigning for a position. Note the penultimate sentence: “I will encourage actions on women’s rights, anti-nuclear policy and homosexual rights” and then compare with the trolled up version below.
3. WEBSITES

The Infamous Larry Pickering’s site (he also has a FaceBook page) [http://lpickering.net/](http://lpickering.net/).

Pickering’s cartoons are in a class of their own – he apparently cannot imagine a prime minister who does not have a penis – so he has had to give Gillard one:
TIME FOR YOUR DAILY BRIEFCING, BOB
4. YOUTUBE

Julia Gillard: the world’s biggest slut (cuz she fucked a whole country!) April 29, 2012

This little charmer delivers his bile-filled invective with a scarf over his face: not even willing to show the whites of his eyes.

http://www.youtube.com/watch?v=8cZwdgGcf1c

Alan Jones

Here he suggests throwing Julia Gillard "out to sea in a chaff bag" (contains some fascinating contributions from talkback radio)

5. FACEBOOK

The following images are all from the Facebook page:

There are many awful images on this page. I have selected a few examples:
Click the link and read the written comments about Julia Gillard and Quentin Bryce to get a sense of how vile they are:

they finally made one for Julia

Julia will do ANYTHING To get your vote!
This is a screen shot of the now-deleted infamous Alf Stewart Facebook page
